Boyer & Ritter is uniquely positioned to serve as that critical advisor to your organization, whether a closely held business, not-for-profit entity, or government agency. As independent accountants and consultants, we take a unique approach to each client relationship—an approach that has helped them explore new options, pursue clear opportunities and achieve their objectives.

THE B&R ADVANTAGE

As a firm with roots stretching back to the 1920's, we have developed a business model that stands the test of time. Our firm's vision reflects both our heritage of stable leadership and our commitment to uncompromising client service.

The B&R Advantage, which serves as the foundation of our client-centered engagement model, is our pledge that your experience with B&R will help you find the right course for your organization. We help our clients improve their market position and explore new opportunities, while staying true to their core beliefs.

B&R provides you with access to the capabilities and resources of a large accounting firm, packaged with the service and attention of a local firm culture.

With Boyer & Ritter, you will receive:

- Dedicated, personal account leadership from a B&R principal.
- The benefits of a committed team focused on your industry sector.
- Access to specialized service areas across multiple practice groups.
- Local support through one of our four offices throughout Central Pennsylvania.
- National and international resources through our participation in the BDO Alliance USA.
- Integrated services through our affiliates including retirement plan consulting/administration, human resource consulting and private trust company services.

Throughout our history, Boyer & Ritter has emphasized organic growth and a business philosophy in which our team works collaboratively across practice areas to meet each client's needs.

PROVEN PROFESSIONAL EXPERTISE

Boyer & Ritter has achieved its success by recruiting, training, and developing exceptional professionals. We retain those professionals by our dedication to their growth and satisfaction. Our intensive focus on professional development includes B&R University, an industry-leading education program for new associates, backed by our commitment to train our professionals in the audit, tax, and consulting areas of the public accounting profession.

Our commitment to our team has earned us consistent recognition from *Best Places to Work in Pennsylvania* as well as the nationally compiled list of *Best Accounting Firms to Work For*. This dynamic professional environment translates to a remarkable level of consistency in the leadership and support that each client experiences from their B&R team.

WORKING FOR THE PRINCIPALS

Boyer & Ritter understands that we work for the principals of your organization and that our ultimate objective is to help them achieve their goals. Private, closely held and family-owned companies need an accounting firm that understands not only their business priorities but also their personal financial objectives. The long-term success of your business is directly tied to your ability to plan for the future, and B&R responds by leading you through the consideration of financial objectives, succession planning, estate planning and wealth protection in an integrated fashion.

SOLUTIONS THAT BUILD VALUE

At Boyer & Ritter, we have built a professional service firm model that supports today's needs as well as future opportunities. B&R can help you build value by bringing to your organization:

- Longstanding experience
- Entrepreneurial energy
- Well trained professionals
- Focus on your business – and its principals
- Principal Involvement
- Diverse practice areas
- National and international resources through the BDO Alliance USA

These are the hallmarks of Boyer & Ritter, and explain our outstanding history of building and maintaining dynamic long-term client relationships.
